1 Download ForeOrder App

Search “ForeOrder” on the App Store (iOS) or Google Play (Android) and tap “Download” - it’s free!

2 Create an Account

Using Facebook

- Tap the “Enter with Facebook” button. You will be taken out of the app to verify with Facebook. Follow the prompts until you are redirected back to ForeOrder.
- Upon returning, enter any required additional information and tap “Create Account”.
**Ensure the phone number you use to create your account can receive SMS text messages.*

Traditional Method

- Tap “Use email instead” on the Login screen.
- Tap “Create an account”.
- Fill in the required information and tap “Create Account”.
**Ensure the phone number you use to create your account can receive SMS text messages.*

3 SMS Verification

- Upon creating an account, you will receive a text message to the phone number with a PIN.
- Enter the PIN in to complete the verification.

4 Member Verification

For Private Courses Only

- If you are at a private course, tap the three white lines in the top left-hand corner to reveal a side navigation.
- Tap “Membership” in the navigation.
- Select the golf course you are at and fill in your Member ID or Access Code and tap “Add Membership”.
- Close the side navigation and you will see the course menu(s) appear (assuming you are at the course).

5 Find Your Course

ForeOrder will detect the golf course you are at and display their respective menu(s). **Please note that you will only see course content while at the course and you must have Location Services enabled.*

6 Select Your Menu

- Some courses will offer multiple menus to purchase items from. Select your menu by tapping the menu name(s) at the top of the screen. You can scroll through the menus by sliding your thumb right or left on the screen.

7 Build Your Order

- Tap the item you wish to purchase. This will take you into the item from where you can select the desired quantity, customize, and add to cart. Repeat for any additional items you wish to purchase. **Please note that an order may only contain items from the same menu.*

- **Customizing Items:** Some items (e.g. a hamburger) might have additional options you can use to customize, otherwise there is a “notes” section you can use for any special requests.

8 Review Order

Tap “View Cart”. You will then see a summary of your order. Check to ensure your order is accurate. If you would like to make adjustments to your order, tap the item to edit its details. Tap “Update Cart” to save any changes.

9 Place Order

When you are happy with your order, tap “Place Order” to submit your order to the clubhouse. You will then see a prompt screen that displays your order was a “Success!”.

Your order has now been placed!

(If applicable, you will pay in person upon receiving your order.)

Returning to ForeOrder - Logging in

When returning to ForeOrder, simply open the app and log in using the same method with which you signed up.
